I would like to welcome back all Kingston Primary School families and extend a very warm welcome to the families that have joined us for the first time. This should also include the families that have returned to our great school after an extended period away.

Trying to plan classroom structures and class make-ups based on student enrolment is like looking into a broken crystal ball. I sometimes laugh when I pull out the last business plan which has a beautiful graph showing predicted enrolment and actual enrolment. In 2013 we peaked at 870 students. In subsequent years, Treendale school was built to take enrolment pressure off us and then the year 7’s became high school students, taking a cohort of 100 students from us. Our predicted enrolment planning suggested that in 2017, we should have about 650 students.

Last Wednesday, 800 students were settled into classrooms for the 2017 school year. This includes the 33 students that enrolled in the days leading up to Wednesday.

On Friday the 27th January, at 10.00am, prior to teachers returning to work, the admin team had a planning meeting and based on the surge in enrolment, restructured the school. In the ensuing hours and days, teachers were employed, classes shifted, new classrooms prepared, class student placements were re-done, timetables re-worked and budgets allocated.

So, on Wednesday morning when 800 students settled into class, the staff at Kingston Primary had a huge sense of pride as everything went like clockwork.

School Uniforms
Unfortunately, with the surge in enrolments, which were predominantly younger students, the uniform shop ran out of size 4 and size 6 school shirts. This shouldn’t have been a problem as the supplier should have had a reserve stock in its warehouse, or so we were led to believe. This was not the case. There is now a 14 week wait for new stock. BUT, we have a plan to support families needing uniforms. The plan has 2 strategies:

1. We have asked anyone who has old uniforms that they are willing to donate to the school, to place them into the barrel in the front office. These will be laundered and offered free of charge to those who can’t get a uniform.

2. I have negotiated with the supplier to get 30 x size 4, 30 x size 6 and 30 x size 8 polo shirts in the old fabric, within 2 weeks. These will be sold at cost price and if desired, can be traded in on the new fabric stock when it arrives (parents to pay the price difference). Further information will follow.

If you are one of the families who has been unable to access a uniform, please let us know at the front office and we will negotiate with you a “strategy 1” or “strategy 2” solution.

The P&C volunteers who run our uniform shop have done an outstanding job in difficult circumstances and I take my hat off to them. Robyn Houston is stepping down now that she has no children at the school, but spent a considerable amount of time last week handing over to our new coordinator, Tanya Meyer. Tanya had her helpers in and the team did brilliantly.
School Tour

Sometimes we take for granted that everyone knows where everything is around this large school. And to add to this, when I change the location of some year groups, I should expect some people to be scratching their heads and getting lost. So, if you are a little lost or geographically challenged, or you can’t find the canteen so that you can volunteer your time, this is for you.

When: Thursday 9th February at 8.45am
Where: Meet in Passive Play, outside the admin area next to the big blue circle
How long: 1 hour maximum, including a question and answer with the Principal
Tour Guide: Alan Kidd

Ask the hard questions, see the teachers and students in action and have a cuppa on me. I hope to see you.

Swimming Carnival

Our swimming carnival, for year 4-6 students, will be held on Thursday 23rd February at the Harvey Pool. In recent years, we have struggled to get students to nominate for the carnival and hence, this year will be the year where we decide whether to continue or not. We have made a number of changes, including moving the carnival from the Friday after camp to the following Thursday. We are also sending home a note to all parents, asking that you support and encourage your child to participate, rather than have self-nomination at school. I have booked two buses with a capacity of 100 and I hope to fill them both.

Year 6 Camp

The year 6 camp is something that students look forward to and remember forever. Information went out last year, but of course we have new students that have just joined us. Year 6 students will leave for camp on Tuesday 14th February at 10.00am and travel to Camp Mornington near Harvey. They will return at approximately 5.30pm on Thursday 16th Feb. The cost is $240 per student which is a reduction of $10 from last year. Students will challenge themselves and conquer their fears while doing mid ropes, abseiling, raft building and the flying fox. Notes are out this week.

Before School Procedures

A reminder to parents and students about supervision and rules before school;

- All students who arrive at school prior to the 8.30 siren are to meet in the passive play area
- Admin supervision commences in this area at approximately 8.10am
- Students should not arrive at school prior to supervision commencing
- The spider playground is not to be used before school
- Bikes and scooters are not to be ridden in passive play and should be walked on all pink pavers around the school
- Please observe the “please close the gate” signs around Pre-Primary as this is essential for the safety of identified children.

If we all work together on these procedures we will have a happy, vibrant start to every day.

P&C Meeting

This Wednesday, 8th Feb at 6.00pm, is our first P&C meeting of the year. A great opportunity to meet other parents, get involved in exciting projects around the school and find out, first hand, what is going on. The meetings are held in the staffroom at school and the gate is open near the admin area.

Alan Kidd - Principal
Virtue of the Fortnight:

RESPECT

Respect is an attitude of caring about people and treating them with dignity. Respect is valuing ourselves and others. We show respect by speaking and acting with courtesy. When we are respectful we treat others as we want to be treated. Respect includes honouring the rules of our family or school, which make life more orderly and peaceful. It is knowing that every man, woman and child deserves respect, including you.

I am respectful. I treat others and myself as we deserve to be treated. I show courtesy to everyone. I learn from the wisdom of my elders.

VOLUNTARY CONTRIBUTIONS

A reminder that the school contributions can be paid by cash, cheque and EFTPOS at the school office, or by internet banking. Please call in to the school office to arrange payment. Thank you to all the families who have already paid their voluntary contributions.

CONFIGURING A BYOD IPAD TO THE SCHOOL SYSTEM

This year we have 110 year three students entering the BYOD program for the first time, in addition to the 338 students already in the program. To maximise the use of iPads for improving student outcomes, every BYO device will need to be added to the school WiFi system and added to the school ZuluDesk management system. This will be done in the first few weeks of term 1 and it will take some time to complete. Please be patient if your child has not used their iPad in the learning program during this time.

WORD FROM YOUR CHAPLAIN...

Let me begin by welcoming all our Kingston staff, students and families back to school and a HUGE WELCOME to our new families. Many of you know me as ‘Reet’ or ‘Miss Reet’ and the role that I undertake here in the school as your School Chaplain. However I have been hearing that a lot of our students and families are unaware of my role and what it involves.

The Chaplain is here to provide pastoral care for staff, students and families, on a confidential basis, by focusing on their health and wellbeing...so in a nutshell if you feel your child or yourself would benefit from some extra support around the everyday happenings and stresses of life please don’t hesitate to contact the school to speak to me. I may be able to assist you readily or help link you with one of the support agencies within the community.

I am available Monday through to Wednesday and can be contacted through the front office on 9797 0451. I look forward to connecting with our students and families over the next few weeks and getting to know some new faces. Have a great start to the new school year!

Reet
School Chaplain
P&C UPDATE

P&C MEETING
The next P&C meeting is on Wednesday 8th February at 6.00pm in the Kingston Primary School staff room. Everyone welcome!

WHAM WINNERS!
Congratulations to all the students who won ice creams for wearing their helmets to school this week.

Keep wearing your helmets for more chances to win! You never know when we’ll be there!

Term 1 WHAM Proudly Sponsored by:

Karen’s Autism and Kidz Items

UNIFORM NEWS

Welcome back for 2017! Hope all your kids have settled in class routine and are ready for a great year.

I would like to thank all the volunteers who helped out when the Uniform Shop reopened. Without your help we just cannot do days like this and we value your time and effort no matter how long you are able to help out. To all the families, thank you for being so understanding and patient with us all.

A couple of reminders:

- Please ensure you have updated your child’s information on Our Online Canteen so we don’t send the uniforms to the wrong class.

- Please check the lost property basket, in the undercover area near the canteen, as it has grown over the Christmas holidays.

- Please ensure all uniforms are clearly labelled, with your child’s name, especially if you have 2nd hand uniforms. We endeavour to return lost property to its owner when it is labelled.

This will be my final newsletter, as a new co-ordinator has been found! Tanya Meyer is my replacement and is very capable and approachable. Tanya has 3 kids with 2 of them at here at Kingston. If you can spare some time to help out, please see Tanya at the Uniform shop or she can be contacted via email at kingstonpnc@gmail.com. If you need any information or can volunteer she would love to hear from you.

The uniform shop is run by volunteers and is open Monday to Thursday from 8.30–9am. We do not open on Friday as that is when the school assembly is held. EFTPOS facilities are available and we accept most credit cards with a minimum spend of $10. Alternatively you can use Our Online Canteen and the uniform orders will be delivered to your child’s class.

Robyn Houston – Uniform Co-ordinator

CANTEEN NEWS

- The menu has changed slightly on our daily specials and recess items. Check out our new lunch items on Wednesday and Friday.

- Lunch special for the fortnight is Apricot Chicken and rice $4.00.

- Welcome back to all fabulous families. Please remember to update your child’s details when ordering online.

- Family meals will be starting back up next week, please keep an eye out for our weekly yummy dinners.

- Anyone who is looking to volunteer in the school and doesn’t know where to start, feel free to call in and we can help you. 😊

Thank you

The Canteen Team
**FUNDRAISING NEWS**

**COMMUNITY NOTICEBOARD**

**HELLO FROM THE OSHCLUB,**  
Welcome Back!!

This term at OSHClub we are exploring sustainability and the importance and impact it has on the environment. Last week Jayde and Julie bought fish for the OSHClub.

Using our creative minds and strong imaginations we have decided to have a bridge making competition. We are only allowed to make them with straws and sticky tape. We have some pretty talented children at the OSHClub.

If you would like to join us or be a part of our amazing creative team here at the OSHClub feel free for come and see Julie and Jayde at the OSHClub or contact Jayde and Julie on 0411 038 413 or call our head office on (08)9261 3200 (9:00am to 6:00pm) Monday to Friday.

OSHCLUB Operation Times:
Mon-Fri: 7:00-9:00am and 2:30-6:00pm

---

**EATON JUNIOR FOOTBALL CLUB**

Early Days workshops are run throughout the year for parents, grandparents, and families of young children (0-6 years) who have an Autism Spectrum Disorder or who are going through the assessment and diagnostic process.

My Child and Autism Workshop | Thursday, 16 February 2017 | 9.30am to 2.30pm
Parkerline Bunbury, 26 Wittenoom Street, Bunbury WA 6230

The My Child & Autism workshop is facilitated by staff from the Autism Association of Western Australia and will cover the following topics:

- Understanding Autism Spectrum Disorder (ASD)
- What ASD looks like for your child and your family
- How you can make a difference
- Navigating Early Intervention and funding options

Intended Participants
The workshops are designed to support parents who are in the 'early days' of their journey through the assessment and diagnosis process. Workshops are held in small groups to give parents the opportunity to meet other parents.

For further information on these workshops please visit www.earlydays.com.au

Cost
None! These workshops are completely FREE with refreshments provided.

Registration
You MUST register to reserve your place. To attend, please register online at www.autism.org.au, telephone us on (08) 9489 8900 or email earlydayswa@autism.org.au

Please note:
A separate registration will need to be completed for each person attending.

*Information correct at time of printing, please visit www.autism.org.au for further information and latest updates!
Positive Parenting Program
(Children aged 3-8 years)
Bunbury/Harvey/Wellington

Parents/Carers are invited to learn

- Effective parenting strategies
- Ways to encourage behaviors
- How to promote your child’s development
- How to prevent or manage common child behavior problems

 Seminar Series Triple P runs for 3 weeks
These sessions introduce parents to key concepts of Triple P

- Seminar One: Positive Parenting
- Seminar Two: Raising Confident Competent children
- Seminar Three: Raising Resilient Children
